DETAILED ACTION

Allowable Subject Matter

1. Applicant is advised that the Notice of Allowance mailed on 11/06/2003 is vacated. If the issue fee has already been paid, applicant may request a refund or request that the fee be credited to a deposit account. However, applicant may wait until the application is either found allowable or held abandoned. If allowed, upon receipt of a new Notice of Allowance, applicant may request that the previously submitted issue fee be applied. If abandoned, applicant may request refund or credit to a specified Deposit Account.
2. The indicated allowability of claims 5 and 6 is withdrawn in view of the newly discovered reference(s) to B.W. Williams. Rejections based on the newly cited reference(s) follow.

Claim Rejections - 35 USC § 102

3. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –
(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

4. Claims 5 and 6 are rejected under 35 U.S.C. 102(b) as being anticipated by B.W. Williams.

As per claims 5 and 6, Williams teaches a method and apparatus for generating a predetermined boosted voltage (Vo) comprising a DC power supply (Ei); and a step-up converter (Figure 15.3 (a)), connected to the DC power supply, for producing a

differential voltage between the predetermined boosted voltage and a voltage of the DC power supply, wherein the predetermined boosted voltage is provided as a sum of the voltage of the DC power supply and differential voltage (Figure 15.3(b)).

5. Claims 1-4, 7-9 and 11-16 are allowed.
6. The following is a statement of reasons for the indication of allowable subject matter: Reasons for allowance for claims 1, 2, were given in previous office action mailed on 05/28/2003 and 11/06/2003.
